SUMMARY OF INTERVIEW

Attendees, Date and Type of Interview

The telephonic interview was conducted on May 27, 2009 and attended by Supervisory Examiner Myhre, Inventor George Chanos, and counsel of record John M. Grover.

Principal Arguments

Counsel discussed at length the difficulty in understanding the writing of the Examiner, specifically in how the Examiner believes the teachings of the references are being used to create allegations against the present claims. The Inventor also discussed the apparent non-progress of the present application and the irrelevancy of Yost.
